## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors Disabled Veterans National Foundation, Inc. Lanham, MD

We have audited the accompanying financial statements of Disabled Veterans National Foundation, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2019 and 2018 and the related statements of activities and changes in net assets (deficit), functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

## Management's Responsibility of the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America.

Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

## Auditor's Responsibility (Continued)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Disabled Veterans National Foundation, Inc. as of December 31, 2019 and 2018, and the changes in its net assets (deficit), functional expenses and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Substantial Doubt about the Organization's Ability to Continue as a Going Concern

The accompanying financial statements have been prepared assuming that the Foundation will continue as a going concern. As discussed in Note 11 to the financial statements, the Foundation has suffered recurring losses from operations and has a net deficiency in net assets. Management's evaluation of the events and conditions and management's plans to mitigate these matters are also described in Note 11. Our opinion is not modified with respect to this matter.

## **1. NATURE OF ACTIVITIES**

Disabled Veterans National Foundation (the Foundation) is a not-for-profit corporation with the aim to celebrate, commemorate, promote and recognize the contributions and work of both men and women in service in the military in the past and present by promoting the service of future generations. The Foundation provides critically needed support to disabled and at-risk veterans who leave the military wounded. This is accomplished by the exchanging of ideas and information to ensure effectiveness in providing the services to veterans whether disabled or not; furthermore, to identify issues of concern to all veterans by appropriate means and develop recommendations to address those goals through legislative, programmatic, and outreach activities. Additionally, the Foundation provides support directly and indirectly to veterans and their families in need.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with generally accepted accounting principles of the United States of America (GAAP).

#### B. <u>New Accounting Pronouncement</u>

The Foundation is required to report its financial statements in accordance with Accounting Standards Board's Accounting Standards Update No. 2016-14 – *Not-for-Profit Entities* (Topic 958): *Presentation of Financial Statements of Not-for-Profit Entities* (ASU 2016-14). This update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and lack of consistency in the type of information provided about expenses and investment return between not-for-profit entities. A key change required by ASU 2016-14 is the net asset classes used in the financial statements. Amounts previously reported as unrestricted net assets are now reported as net assets without donor restrictions and amounts previously reported as temporarily restricted net assets and permanently restricted net assets are now reported as net assets with donor restrictions.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### C. <u>Basis of Presentation</u>

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with United States generally accepted accounting principles. Net assets, revenues, expenses, gains and losses are reported based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

**Net Assets Without Donor Restrictions:** Net assets that are not subject to donorimposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. These net assets may be used at the discretion of the Foundation's management and the board of directors.

**Net Assets With Donor Restrictions:** Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by the actions of the Foundation or by passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

For the years ended December 31, 2019 and 2018, the Foundation has \$1,000 in net assets with donor restrictions.

#### D. Cash, Cash Equivalents and Restricted Cash

The Foundation considers all highly liquid investments with a maturity of three months or less at the date of acquisition to be cash equivalents.

The Foundation retroactively adopted the requirements in accordance with Accounting Standards board's Accounting Standards Update No. 2016-15-*Not-for-Profit Entities* (Topic 230): *Classification of Certain Cash Receipts and Cash Payments* (ASU 2016-15). This update addresses diversity in presentation of the Statement of Cash Flows. Cash, cash equivalents, restricted cash, and restricted cash equivalents that are presented in more than one line on the statements of financial position are now required to either be presented on the face of the statements of cash flows or disclosed in the notes to the financial statements.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### D. Cash, Cash Equivalents and Restricted Cash (continued)

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported within the statements of financial position to the sum of the corresponding amounts within the statements of cash flows:

	<u>2019</u>	<u>2018</u>
Cash and cash equivalents Cash held in investments	\$ 216,622 119,687	\$ 745,955 68,342
Total cash, cash equivalents and restricted cash	\$ 336,309	\$ 814,297

#### E. Financial Instruments

Financial instruments consist of cash and investments. The carrying value of the Foundation's financial instruments in the accompanying statements of financial position approximated their respective estimated fair values as of December 31, 2019 and 2018. Fair values are estimated based on current market rates, prices or liquidation values.

#### F. <u>Functional Allocation of Expenses</u>

Costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Costs are allocated between program services, management and general and fundraising based on evaluations of the related activities. Management and general expenses include expenses that are not directly identifiable with any other specific function, but provide for the overall support and direction of the Foundation.

#### G. Income Tax Status

The Foundation is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code, with the exception of unrelated business income. Accordingly, no provision for income taxes has been made in the accompanying financial statements. An informational return Form 990 is filed annually. The IRS has authority to request an audit of any previous three years' tax filings. The Foundation is no longer subject to federal tax examination by tax authorities for years prior to 2016. The Foundation has not taken any questionable tax positions.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### H. <u>Use of Estimates</u>

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### I. <u>Reclassifications</u>

Certain amounts in the prior period presented have been reclassified to conform to the current period financial statement presentation. These reclassifications have no effect on previously reported net income.

#### J. <u>Property and Equipment</u>

Property and equipment with a cost of \$1,500 or more are capitalized at cost. Depreciation is provided on a straight-line basis over the estimated useful life of the capitalized assets as follows:

Category	<u>Life in Years</u>
Office Furniture & Equipment	5-7
Leasehold Improvements	5

Depreciation expense was \$22,482 and \$24,150 for the years ended December 31, 2019 and 2018, respectively.

#### K. <u>Revenue Recognition</u>

Contributions are recognized as revenues in the period received and are recorded as without donor restrictions and with donor restrictions support depending on the existence or nature of any donor restrictions. Contributions of assets other than cash are recorded at their estimated fair value at the date of the contribution.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### L. Donated Services

Donated services are recognized as contributions at their estimated fair value, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills and would otherwise be purchased by the Foundation. Services provided by volunteers throughout the year are not recognized as contributions in the financial statements since these services are not susceptible to objective measurement or valuation.

#### M. <u>Gifts-In-Kind</u>

Gifts-in-kind (GIK) received through private donations are recorded and valued as revenue at their estimated fair value based upon the Foundation's estimate of the wholesale values that would be received for selling the goods in their principal market. GIK expenses are recorded when the goods are shipped for program use.

GIK received through a Google grant are recorded as revenue and advertising expense on a monthly basis based upon the amount of usage.

#### N. Advertising

Advertising costs are expensed as incurred and were \$367,778 and \$272,883 for the years ended December 31, 2019 and 2018, respectively, which included GIK expenses of \$367,778 and \$272,883, respectively.

#### O. <u>Donation Receivable</u>

Donation receivable represents amounts contributed by donors and received subsequent to year end and are fully collectible. Therefore, management has determined no allowance for uncollectible donations is considered necessary for the years ended December 31, 2019 and 2018.

## 3. AVAILABILITY AND LIQUIDITY

The following represents the Foundation's financial assets at December 31, 2019 and 2018:

	2019	2018
Financial assets at year end:		
Cash	\$ 216,622	\$ 745,955
Accounts receivable	-	72,859
Donation receivable	178,756	642,799
Investments	2,365,406	1,757,956
Total financial assets	2,760,783	3,219,569
Less amounts not available to be used within one year:		
Net assets with donor restrictions	(1,000)	(1,000)
Financial assets available to meet general expenses		
over the next twelve months	\$ 2,759,783	\$ 3,218,569

The Foundation's goal is to generally maintain financial assets to meet 90 days of operating expenses.

#### 4. CONCENTRATION OF CREDIT RISK

The Foundation maintains its cash in bank deposit accounts that exceed the \$250,000 federally insured limit by \$0 and \$495,955 for the years ended December 31, 2019 and 2018, respectively. The cash account maintained by the brokerage firm is secured by the Securities Investors Protection Corporation (SIPC) up to \$250,000 and the securities are insured by the SIPC up to \$500,000. The risk is managed by maintaining all deposits in high quality financial institutions. The SIPC insurance does not protect against market losses. The Foundation has not experienced any losses in such accounts and believes that it is not exposed to any significant credit risk related to cash.

The Foundation uses Direct Mail Processors, Inc. to provide donation processing, data entry and other related services; Innovairre Communications for its direct donor mail marketing; and Vera Data for its donor database management.

The total payable to vendors for the years ended December 31, 2019 and 2018 was \$9,132,158 and \$9,685,692, respectively. While there has been no indication that this production vendor will stop providing credit, limit or reduce the credit facility provided to the Foundation, any reduction in credit could have a material impact on the financial condition of the Foundation.

#### 5. ACCOUNTS RECEIVABLE

Accounts receivable at December 31, 2019 and 2018 consist of Name Rental income receivable in the amounts of \$0 and \$72,859, respectively. Management considers all receivables collectible, therefore, no allowance for uncollectible accounts have been recorded.

#### 6. INVESTMENTS

During the years ended December 31, 2019 and 2018, the Foundation received investment donations consisting of cash and marketable securities which were recorded at fair value on the date of donation. Unrealized gains and losses are included in the change in net assets in the statements of activities. Market risk could occur and is dependent on the future changes in market price of the various investments held.

			2019
	Cost	Fair Market Value	Unrealized Gain (Loss)
Cash Equity securities Bonds	\$ 119,687 1,235,708 780,149	\$ 119,687 1,456,906 	\$ - 221,198 
Total	\$ 2,135,544	\$2,365,406	\$ 229,862

An analysis of the investments held at December 31, 2019 is as follows:

An analysis of the investments held at December 31, 2018 is as follows:

			2018
	Cost	Fair Market Value	Unrealized Gain (Loss)
Cash Equity securities Bonds	\$ 68,342 1,152,614 703,085	\$ 68,342 1,049,455 640,159	\$ - (103,159) (62,926)
Total	\$ 1,924,041	<u>\$1,757,956</u>	<u>\$ (166,085)</u>

## 7. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Generally accepted accounting principles in the United States (GAAP) establish a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. That hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3").

The three levels are described below:

#### Level 1

Unadjusted quoted prices in active markets for identical assets or liabilities.

#### Level 2

Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly.

#### Level 3

Inputs that are unobservable inputs that are supported by little or no market activity and that are significant to the measurement of the assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of financial position, as well as the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodologies used as of December 31, 2019 and 2018.

*Cash:* Valued at the closing price on the active market on which cash is traded and categorized within Level 1.

*Equity Securities*: Valued at the closing price on the active market on which the individual securities are traded and categorized within Level 1.

*Bonds*: Bonds generally do not trade in active markets on the measurement date. Therefore, they are valued using inputs including yields currently available on comparable securities of issuers with similar credit ratings, recent market price quotations (where observable), bond spreads, and fundamental data relating to the issuer. These funds are generally categorized within Level 2 where observable and Level 3 where unobservable.

#### 7. FAIR VALUE MEASUREMENT (Continued)

#### Fair Value Measurement

The following presents the Foundation's fair value measurements of investments recognized in the accompanying statements of financial position that are measured on a recurring basis and the level within the fair value hierarchy as of December 31, 2019:

Description	2019 Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
Cash	\$ 119,687	\$ 119,687	\$ -
Equity securities	1,456,906	1,456,906	-
Bonds	788,813	<u>-</u>	788,813

### 8. GRANTS PAYABLE

During the years ended December 31, 2019 and 2018, the Foundation awarded \$339,050 and \$866,396, respectively in grants to various veteran organizations. Grants payable at December 31, 2019 and 2018 was \$202,267 and \$187,018, respectively.

## 9. NAME RENTAL REVENUE

Revenue generated from the use of the Foundation's donor list by other charities is recorded in these financial statements at gross. Associated brokerage and other administrative fees are recorded as expenses in the statement of activities.

## 10. NET ASSETS (DEFICIT) WITHOUT DONOR RESTRICTIONS

Net assets (deficit) without donor restrictions consist of revenue received without donorimposed restrictions, net of expenses. These net assets are available for the operation of the Foundation and include both internally-designated and undesignated resources. The net assets (deficit) without donor restrictions were (6,682,656) and (6,749,582) at December 31, 2019 and 2018, respectively.

#### 11. GOING CONCERN MATTERS

As shown in the accompanying financial statements, the Foundation had a net increase in net assets of \$66,925 and \$196,725 during fiscal years ended December 31, 2019 and 2018, respectively. The Foundation's total liabilities continues to exceed its total assets for the years ended December 31, 2019 and 2018 by \$6,681,656 and \$6,748,582, respectively.

The Foundation's vendor accounts payable to its direct mail vendors decreased by \$553,533 and \$375,675 for the years ending December 31, 2019 and 2018, respectively. The Foundation's direct mail campaign costs is the major contributing factor to its net asset (deficit) without donor restrictions.

The following describes management's plans and updates to alleviate substantial doubt about the Foundation's ability to continue as a going concern for the years ended December 31, 2019 and 2018, respectively.

Management created a three-year Deficit Reduction Plan for the year ended December 31, 2017 which includes working with its vendors by reducing its production costs by \$3.2 million annually and in addition; by receiving \$1.3 million in cost concessions over the next two years of less data segmentation expenses, as well as restructuring of its model to reflect its three-year deficit reduction plan.

#### 11. GOING CONCERN MATTERS (Continued)

The deficit reduction plan includes decreasing its operational cost footprint without any program impact, reduction of cost in production services and reduction in digital expenditures. In 2018, the Foundation established additional revenue streams outside of direct mail with the utilization of online giving and attracting corporate, private and planned giving donors and reduced its overall operational costs by \$3.8 million.

#### **12. LEASE COMMITMENT**

The Foundation signed a lease agreement for office space located in Lanham, MD, which commenced on January 1, 2017 for the monthly amount of \$4,946.

The following is a schedule of future minimum rental payments under the lease and does not include operating and tax escalations that are adjusted on a periodic basis:

#### 14. PENSION PLAN

The Foundation sponsors an Individual Retirement Account (IRA) based plan that gives small employers a simplified method to make contributions toward their employees' retirement. Under a SIMPLE IRA plan, employees may choose to make salary reduction contributions and the employer makes matching or non-elective contributions. All contributions are made directly to an Individual Retirement Account or Individual Retirement Annuity set up for each employee (a SIMPLE IRA). SIMPLE IRA plans are maintained on a calendar year basis.

The SIMPLE IRA plan was established to cover all full-time employees who elect to participate in the plan. The Foundation elected to make matching contributions up to three percent of total compensation for eligible participants. Pension expense for the years ended December 31, 2019 and 2018 was \$13,159 and \$11,071, respectively.

#### **15.** ALLOCATION OF JOINT COSTS

The Foundation conducts direct mail campaign activities which included requests for contributions, as well as program and management and general components. The costs of conducting the direct mail campaign activities for the years ended December 31, 2019 and 2018 were allocated as follows:

	2019	2018
Fundraising	\$ 19,214,843	\$ 18,800,983
Program	4,325,595	4,223,683
Management and general	1,641,449	1,600,867
Total	\$ 25,181,888	\$ 24,625,533

#### **16.** SUSEQUENT EVENTS

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, as of March 30, 2020, Governor Larry Hogan ordered the closure of the physical location of every "non-life sustaining" ("non-essential") business for what may be an extended period of time. The Foundation had to close its physical locations and employees were to work remotely, if possible. Future potential impacts may include an impairment of the Foundation's ability to obtain contributions and volunteers and continued disruptions or restrictions on employees' ability to work. The future effects of these issues are unknown.

#### 16. SUSEQUENT EVENTS (Continued)

In April 2020, the Foundation applied for and received a \$169,600 loan under the Paycheck Protection Program created as part of the relief efforts related to COVID-19 and administered by the Small Business Administration. The loan was received and accrues interest at one percent, but payments are not required to begin for six months after the funding of the loan. The Foundation is eligible for loan forgiveness of up to 100 percent of the loan, upon meeting certain requirements. The loan is uncollateralized and is fully guaranteed by the Federal government.

The Foundation has evaluated subsequent events through October 26, 2020, the date the consolidated financial statements were available to be issued and determined all material transactions or events that require recognition in the financial statements or disclosures of the Foundation have been evaluated in accordance with FASB ASC 855.
