ORGANIZATION OVERVIEW

Established in 1972, Disabled Veterans of Pitt County #37 is a dedicated chapter of the Disabled American Veterans (DAV) serving Greenville and surrounding communities in North Carolina. Their mission is to empower disabled veterans and their families by providing comprehensive support, advocacy, and resources to enhance their quality of life.

DAV is dedicated to one single purpose: empowering veterans to lead high-quality lives with respect and dignity.

WOMEN'S KITS
RECEIVED

“ DAV Pitt County #37 distributed Comfort Kits to veterans across the Greenville and Pitt County region during several Veterans Day-related events. The outreach ensured direct access to essential resources for veterans facing financial hardship or housing instability.

Veterans expressed sincere gratitude, sharing how meaningful and helpful the supplies were. Beyond meeting immediate needs, the initiative strengthened community trust, reinforced that their service is valued, and demonstrated the chapter's continued commitment to supporting local veterans through consistent outreach efforts.”
