the events

UWOEC hosted a resource fair directed towards Veterans, their families, and their needs. This brought together over a dozen resources and agencies that can assist veterans in need. UWOEC felt incredibly blessed to provide these comfort kits and fill a gap.

A homeless male veteran who served in the Navy attended the resource fair. He told them the story of how he had become homeless and how he wanted to improve and better his life. In addition to the kits, they connected him with additional services for continuing education and transitional housing shelters.
