EVERY LIFE MATTERS GEORGIA

TRANSFORMING LIVES

ORGANIZATION OVERVIEW

Since 2020, ELMG has dedicated its resources and expertise to supporting community. They measure success by the impact and effectiveness of our efforts, not by money.

Their work takes a holistic approach to address homelessness and human suffering. By working together and empowering the community, we can make meaningful change. Join us in making a difference.

the events

“ One Vietnam-era veteran shared that he lives alone on a fixed income and often must choose between purchasing hygiene supplies and food. He stated the kit relieved a financial burden and made him feel respected and not forgotten.

A female veteran told volunteers she rarely attends public assistance events because she feels overlooked as a woman veteran, but receiving a Women's Comfort Kit made her feel acknowledged and supported.

Multiple veterans thanked DVNF directly and asked to pass along their appreciation. ”
