#### HOMELESS VETERANS GIVEAWAY EVENTS

December 2026 – April 2027

The kits were distributed during our Homeless Veterans Giveaway event, specifically organized to support homeless, at-risk, and low-income veterans in our community. The shipment arrived just in time for the event and played an important role in helping us meet the immediate needs of the veterans who attended.

One homeless veteran explained that he had been staying between shelters and temporary housing and often had to choose between purchasing food or personal hygiene items. After receiving the comfort kit, he shared that having basic necessities provided him with a sense of dignity and relief. He stated, “People don’t realize how important these simple items are until you go without them. This kit helps more than you know.”
