

ORGANIZATION OVERVIEW

Dryhootch is a community hub offering a welcoming, drug and alcohol-free space for veterans, their families, and community members. Their mission is to help Veterans and their families who survive the war survive the peace by raising awareness of veteran issues and supporting their healing journey. In partnership with VA Hospitals and other organizations, they assist veterans through a social coffeehouse environment and a Peer Mentor Program that provides one-on-one support and peer groups led by certified specialists.

“Great Lakes Dryhootch is deeply grateful to the Disabled Veterans National Foundation (DVNF) for their generous donation of hygiene kits. These essential items provide meaningful support to the veterans we serve, helping meet everyday needs while reminding them that their service and well-being matter. We sincerely appreciate DVNF’s continued commitment to supporting veterans and are honored to be a recipient of their generosity.

From a Dryhootch Veteran: “The DVNF Comfort Kit contained items I could genuinely use. Receiving it through Dryhootch reminded me that people in our community still care about veterans.”
